

F.C.C.

Specifically, I do not businesses to have the ability to contact myself or any other person on the "Do Not Call" list who they have conducted business with myself or anyone else during the last 18 months. The New Jersey law does not include this exemption.

Please leave New Jersey's law alone; it does not need to be changed just because business cannot get to me to make an attempt to sell me something I do not want. If I want to contact them, I can do that.
